Characters:

- James Harambe Arnold, the homeowner
    - Alex
- Drake, the transatlantic boy
    - Harper
- Graydon, the dog walker and husband to cami
    - Jessie
- Cami, wife to Graydon
    - Josh
- Alex, daughter to James
    - Maatkara
- Bo, alex's wife
    - Camille
- Georgia, crush and future lover of James
    - Jake
- Steven, stupid son of James, neighborhood watch
    - Summer

# ALL ON DISPLAY

By Rhea Madhogarhia & Camille Cypher

*Lights up*

*We open on a man in a lawn chair. He's old. Butt old. His stuff is laid around him in a disorganized yard sale. Furniture. Clothes. Adult diapers.*

*GRAYDON passes by and notices the sale.*

GRAYDON
Yard sale?

JAMES
Well that's sure what it looks like doesn't it. You in the market for a chair stair attachment or a foreman grill—it was gifted to me by Betty White's cousin. We dated in the 70s. Very progressive for the time.

GRAYDON
No, I'm alright. Got any dog treats?

JAMES
Nah, just lost old yeller last week.

GRAYDON
I’m sorry to hear that.

JAMES
He wasn’t doing too well. Gave him a good end.

GRAYDON
What’d he have?

JAMES
Syphilis.

GRAYDON
Huh. I heard that’s going around.

*A long beat.*

GRAYDON
This is *a lot* of stuff. Where are you headed?

JAMES
This gated community just a couple thousand miles west of San Francisco.

GRAYDON
West? Huh? I’ll have to look that up when I get home.

JAMES
Oh you probably won’t find it. Took 6 hours of toilet scrolling on my quora feed. Let’s just say something burrito sized came in and out of me last night.

GRAYDON
Wowza.

JAMES
Tasted similar too.

GRAYDON
What?

JAMES
Hey look, smell is 99.999 percent of taste.

*A beat.*

GRAYDON
Um okay. Well I should probably get us home to the wife.

JAMES
Oh! Take a poster with you. I insist.

GRAYDON
Sure. My wife's been decorating the place since we moved in. She'd love something like this.

JAMES
Oh! You're the Solanos! Bring your family by! I'll be here all day. Got some old dog toys, kitchen appliances.

GRAYDON
Alright. See ya Mr…. So sorry- remind me of your name again?

JAMES
I usually go by Reverend Arnold, but, hell, I'm leaving. Call me James.

GRAYDON
Well James, I'll let some of the neighbors know about your sale. Best of luck!

*JAMES begins to reorganize some of his items. He takes off his outer layer and puts it on the rack. Sits back in his chair and closes his eyes to feel the breeze and then is suddenly interrupted by a boy, DRAKE, on a trike ringing his bell. He throws a newspaper bundle. It smacks JAMES in the forehead.*

JAMES
Drake, why in the heck would you do that!

DRAKE
Just deliverin the mornin papah mistah reverend james!

JAMES
It's 2024 son not even my father orders the paper anymore. Go play a game or something?

DRAKE
Like hop scotch, Mr. Sir?

JAMES
Like bananagrams you son of a bitch.

DRAKE
Bananagrams?

JAMES
Take one guess what my center word is?

DRAKE
How many letters?

JAMES
5.

DRAKE
Hmm… Balls!!!!

JAMES
HOW DID YOU KNOW THAT!

DRAKE
Daddy just bought me a new ball yestahday!

JAMES
Now some men might tell you balls is a bad center word cause of the B and the double L but I haven't lost my balls since nam.

DRAKE
What?

JAMES
I said I haven't lost *with* balls since nam.

DRAKE
At your service mr reverend sir.

*DRAKE salutes*

JAMES
I was deployed to proselytize on the battlefield given I was the only pro war reverend in the state of Utah.

DRAKE
Oh.

*DRAKE unsalutes/goes at ease*

JAMES
Now look I'm trying to get rid of my stuff so take this back.

*DRAKE waves the rolled paper at the boy.*

DRAKE
Why's all your stuff out here reverend?

JAMES
I'm moving.

DRAKE
Moving?! Why are you moving?

JAMES
You ever watch national geographic?

DRAKE
Is that on at the theater?

JAMES
No it's on the discovery channel.

DRAKE
Oh.

JAMES
Where I'm going is just like that. Everything on display.

STEVEN

Display? Okay… Oh! Nice shoes!

JAMES
What size shoe are you? Don't matta, take these you'll grow into them.

*Takes off the shoes he's wearing and gives them to DRAKE.*

DRAKE
Oh I couldn't possibly sir. You'll surely need those!

JAMES
Not where I'm going.

DRAKE
Oh ok…. Got any stuff you're selling from the war?

JAMES
Just these pants.

*JAMES holds up a pair of pants with a hole in the crotch.*

DRAKE
I'll take em.

JAMES
Four dollars.

DRAKE
Sold.

*DRAKE takes the pants.*

JAMES
You still wear diapers?

DRAKE
What.

JAMES
What.

DRAKE
I’m fourteen, Mr. Reverend Dr James Arnold Sir.

JAMES
WOW. REALLY?

DRAKE
*You* wear diapers?

JAMES
*Baby voice*
You wear diapers?

DRAKE
At least I have balls that can drop.

JAMES
Oh my balls dropped!

*A beat*

JAMES *(ashamed)*
Goodbye, Drake.

DRAKE *(also ashamed)*
Goodbye, Mr Reverend James Sir.

*He throws pants on like a scarf and trikes away*

*STEVEN walks in as DRAKE leaves*

STEVEN
SLOW DOWN. YOU’RE IN VIOLATION OF NEIGHBORHOOD BYLAW A47 2. VEHICLES WITH THREE TIRES MUST MOVE AT A PACE OF LESS THAN TEN MILES PER HOUR!

DRAKE
Sorry mistah!

*Gives the middle finger.*

STEVEN
I KNOW YOU DON’T HAVE A CLASS T LISCENE YOU FUCK WAD.
Oh hi dad.

JAMES
Steven.

STEVEN
What ya got going on here? You know you’re supposed to report any lawn gatherings to the head of Neighborhood Watch committee.

*Shines badge.*

JAMES
Who even is that again?

STEVEN
Dad what. It's… it's me.

JAMES
Oh. Well, I’ll start reporting to the board when the board gets laid.

STEVE
Dad… I have sex.

JAMES
Awww. You didn’t tell your old pops about your first time? How long did you last?

STEVEN
Um pft like four hours. I— SHUT UP. Dad please don’t embarrass me in front of the neighborhood. These people practically worship me.

*DRAKE reenters with a razor scooter. He uses it to hit STEVEN in the ankles.*

DRAKE
EAT SHIT DICKWAD! *Sweetly* See ya Reverend James!

*He razor scooters away.*

STEVEN
MOTHER FUCKER.

JAMES
Oh yeah. They respect you.

STEVEN
Whatever. What are you doing out here?

JAMES
I’m moving.

STEVEN
What!? And you didn’t think to tell your son?

JAMES
Didn’t think it was that important.

STEVEN
Of course it’s important!

JAMES
Well I’m going. You want my gun collection? Dollar a piece. Might make the neighbors take you more seriously as a security guard or whatever it is you are.

STEVEN
No, dad?! I don’t need guns. Guns are child's play. I have my top secret surveillance system installed in every master, en suite, and jack and jill bathroom in this damn neighborhood. You had a rough night by the way.

JAMES
Okay, well maybe Drake’s in the market for these then.

STEVEN
I’LL TAKE ALL OF THEM. HOW MUCH?

JAMES
You got 2,800 dollars on you?

STEVEN
Didn’t you say a dollar a piece?

JAMES
Yeah, but that's with the friends and family discount.

STEVEN
Oh my god, Dad. How many guns do you have???

JAMES
Burn in hell, Steven.

*CAMI and baby enter, baby is in a stroller with an ipad in lap. Baby is a doll. She's looking around.*

STEVEN
Wow, Dad.

JAMES
You gonna take them or not?

STEVEN
Not for 2800, Dad?

JAMES
Alright, well Drake offered me two bitcoin, so I was being kind even offering to you.

STEVEN
You haven't owned a stock since 1985! What are you gonna do with two bitcoin?

*CAMI approaches JAMES and STEVEN*.

CAMI
Sorry to butt in. Um how much is this?

*CAMI holds up a shirt that says Breastmilk for All*

JAMES
Oh that's not for sale… sigh…. Sorry. I mean $25.

CAMI
Wow.

JAMES

THERE ARE A LOT OF MEMORIES TIED TO THAT T SHIRT.

CAMI
No no. I respect that. You can't put a price on history.

STEVEN
What is Breast Milk for All?

JAMES
Oh.. just um… an organization I frequently volunteered at.

STEVEN
I guess volunteering for your community runs in the family huh, Dad?

*STEVEN puffs his chest in front of the new neighbors.*

JAMES *stand*
I'M A DECORATED VETERAN! YOU WEAR A TOY BADGE AND ARE HAIRLESS FROM THE NOSE DOWN, STEVEN!

STEVEN
BY CHOICE! Anyway! Hi, I'm Steven, the head of the neighborhood watch. You're Cami Solano and this must be the little one. You guys have the manicured front lawn and the blue tiled ensuite bathroom, yes?

CAMI
Oh. Haha. Yes… we do…. How do you—

STEVEN
Ok so we'll do $45 for the shirt.

JAMES
And a bottle of breastmilk?

CAMI
Excuse me?

JAMES
The 45 will be fine.

CAMI

Sure.

STEVEN
Don’t mind my father.

CAMI
Oh this is your son?

STEVEN *cheerfully*
Seven DNA tests my father insists on taking have confirmed that, yes!!

CAMI *to JAMES*
Children really are a blessing.

JAMES
Daughters, yes. What is this little angel’s name?

CAMI
Oh! Dahlia Solano! Vaginal birth.

STEVEN
Oh.

CAMI
Felt like Moses parting the red sea, amiright?

STEVEN
My god.

CAMI
I couldn’t wear undergarments for 3 weeks after. It was so paleo. You should try it.

JAMES
Oh… heh heh.. Yeah. I should try that.

STEVEN
Not for me. I wear a girdle.

JAMES
Oh my god.

CAMI
You know everyone thinks spanx are the new girdles. But really girdles are the new spanx.

STEVEN
Thank you, Cami.

CAMI
Of course, hun. Ooooh chic pants, James.

*JAMES rips off his pants.*

JAMES
Take them.

CAMI
You are so kind!
Well it's time to pump. The baby only drinks from bottles spiked with Gatorade mix. It was great meeting you both!

*CAMI leaves.*

STEVEN
I should go too. *Ironically* Always a pleasure, James.

*STEVEN turns to leave.*

JAMES
Hey. It's Dad.

STEVEN
Sorry I didn't think you cared about that position very much.

JAMES
You only ever come over on your patrol walks.

STEVEN
You're the one who's leaving.

JAMES
You're the one who's never done it with a girl.

STEVEN
*Sigh*. Where are you even going?

JAMES
Why are you asking so many questions? It's none of your business.

STEVEN
Okay, Dad.

*STEVEN turns to leave again.*

JAMES
Wait, Steven.

STEVEN
What, Dad?

JAMES
Um. Here take this hat.

*JAMES tosses him his sunglasses. STEVEN slaps them out of mid air and leaves.*

JAMES
At least take the guns! Ugh.

*STEVEN is gone. JAMES surveys his things.*

JAMES
4 hours and still all this shit left. Maybe I'll make some cookies. The kids'll like that.

*He exits.*

*BLACK.*

# Scene II

*Lights up.*

*ALEX on stage*
*ALEX rummaging through boxes. [she pulls out something interesting ]*

ALEX
Bo! Could you come here really quick?

*BO enters. We were expecting a man with that name. But nuh uh. Lesbians.*

BO
Honey, your dad has a sick tool collection.

ALEX
He sure does.

BO
Allen wrench, Sockets, Extension bars. Look honey!

*She twirls around. All the tools are stuck in her carhart loops.*

ALEX
Okay, honey.

*BO puts her hands on her hips.*

*A beat.*

ALEX
Remember I told you about how Steven and I were peewee golf champions.

BO
Oh, yeah.

ALEX
This is the golf club I broke his knee with.

BO
OH MY GOD?! WHAT??

ALEX
No, not Steven's. Jesus.

BO
Oh…. Okay.

ALEX
Some Tommy kid.

BO
OH MY GOD?! HONEY!

ALEX
Tommy Sheffold. He was gonna win the boy's U8 gold. I was doing Steven a favor.

BO
U8????? You’re five years older than Steven.

ALEX
He tried to take the final shot from a wheelchair but got disqualified. ADA laws were very different back then.

BO
Oh my god. Honey. You never told me you broke a kid’s knee.

ALEX
It’s not as glorious as the trophies we won!!

*She hoists up a few trophies.*

ALEX
Woot woot!

BO
…I’m gonna go organize the tools.

*BO walks off stage. For the rest of the scene she continues to cross back and forth over the stage, carrying various boxes.*

*ALEX digs through boxes through the following text.*

ALEX

I can’t believe he’s selling the place. It’s not right, you know? Steven and I grew up here. Mom too before she got mowed down by that low flying plane.

*ALEX goes back to rummaging.*

ALEX
Awww. My old art supplies.

*Rummaging.*

ALEX
Old school notebooks.

*ALEX pulls out another golf club with the edge sharpened to a point. Throughout the next line, she mimes shivving someone with it.*

ALEX
Oh my gosh! And this club I used on Fr– Nevermind.

*ALEX puts it back and keeps digging. She pulls out a bag of teeth.*

*JAMES enters.*

JAMES
I see you found all your baby teeth. You were so insistent that the tooth fairy was real.

ALEX
You were a very sneaky tooth fairy.

*BO peeks head in.*

BO
How much for those?

ALEX
Honey.

JAMES
Two ladies married. I love that.

ALEX

Really, Dad?

JAMES
Honey, you know I've always been hip with that whole gay thing.

ALEX
I know Dad. Just– Why are you moving anyway? You love this place.

JAMES
Of course I do. But what am I gonna do just live in this house alone til I die. You're never around. Steven's cameras are ALWAYS around. The neighborhood's getting younger. New couple just moved in down the street. They've got a baby.

ALEX
Dad, are you okay?

JAMES
Well—

*DRAKE enters. He throws a magazine at ALEX. She catches it in a fury.*

ALEX
NOT NOW DRAKE.

DRAKE
Why hello there Mr Reverend Sir Arnold Sir. And Daughter of Mr Reverend Sir Arnold—

ALEX
It's just Alex, Drake.

DRAKE
Well Mrs Ma'am Alex Arnold Ma'am. I wanted to ask if you had technological games on your telephone.

ALEX
What the fuck even are you—

*BO comes to the rescue.*

BO

Drake, hey! Why don't you come with me? I've got a whole bunch of plywood for you to play with.

DRAKE
I LOVE PLY WOOD. Can we build a sidecar for my trike, Mrs– Do you use Mrs or Mr? Ma'am or sir?

BO
Mrs is fine, Drake. Thank you.

DRAKE
Oh hi Missus Georgia! Bye Missus Georgia!

*BO and Drake exit. GEORGIA enters.*

GEORGIA
Good evening, Drake!

JAMES
Georgia! So nice to see you!

*JAMES is tending to her very attentively. It's clear he's fawning over her.*

GEORGIA
What's all this, James? Don't we have 1:00 o'clock lunch?

JAMES
Oh shoot, Georgia. I forgot to mention. I'm well, I'm moving out.

GEORGIA
You're going?

JAMES
Trying.

GEORGIA
Doesn't seem like it's going very well. Maybe you should just stay!

JAMES
My mind is fixed. But let's do one last lunch. Alex, take over the sale, would you?

ALEX
Only if you give me the teeth for free.

JAMES
Deal.

BO
SCORE.

ALEX
Here, honey.

*ALEX tosses them to BO, who catches them and runs off. ALEX follows after.*

*JAMES rummages, pulls out a cloth, and lays it over a table he's giving away.*

JAMES
Lemme see what I've got left in the house for lunch.

*JAMES goes inside to grab the cookies.*

*DRAKE is triking by, looking for more plywood. He sees GEORGIA. Does a double take. He sits down at the table.*

DRAKE
Wow. I didn't know women could be so old.

GEORGIA
Well hello to you too, Drake! We've talked about this. Aging can be a beautiful thing.

DRAKE
I just thought all women died before 35 from typhoid or other water-borne illnesses. But you my darling ms ma'am have beat the odds.

GEORGIA
…

DRAKE
May I interest you in chewing tobacco?

GEORGIA

Drake, where did you get that?

DRAKE
The guy at the store told me I wouldn’t know how to use it, and I slipped him a handsome bill. I could take care of you, Ms. Georgia ma’am.

GEORGIA
That's a very kind proposition, Drake, but also very illegal.

DRAKE
So is this chewing tobacco and the Haitian Capybaras I keep under my bed, but I’ve never been caught.

GEORGIA
Haitian capybaras?

DRAKE
They only bite occasionally—babies mostly.

*JAMES reenters*

JAMES
Cookies for lunch, alright? That's all I got.

GEORGIA
You know I have a sweet tooth.

DRAKE
Well, I brought raw sugar aaaannnndddd chewing tobacco.

JAMES
Get lost, Drake.

DRAKE
Die already, prune.

GEORGIA
Jeez it sure is getting cold.

DRAKE
Take my jacket, Ms. Georgia.

JAMES
NO! TAKE MY JACKET!

*JAMES rips his jacket off his body.*

GEORGIA
I think I might just head home and grab a sweater.

JAMES *on his knees*
TAKE MY JACKET, GEORGIA! PLEASE PLEASE PLEASE PLEASE PLEASE.

GEORGIA
Jesus. Okay James. I'll take it.

DRAKE *suddenly very serious*
You win this one, you saggy old ball sack of a man, but I will RUIN you.

*DRAKE stomps off.*

GEORGIA
Weird kid.

*A beat. The two glance at each other.*

GEORGIA
You know, Mr. Arnold, I enjoy these little lunches of ours... A lot.

JAMES
Really?

GEORGIA
Really. It's a shame you're moving.

*She hits a flamboyant pose, maybe sits on his lap, maybe grabs something and stands up seductively.*

JAMES
OH MAMA.
*Flustered, under his breath but hopeful*
What if you came with me…

GEORGIA
Who, me?

JAMES
Oh, um, you should come with me.

GEORGIA
I don't know, James. That's a big decision.

JAMES
Go home, Georgia. Think on it. Come over tonight, and we'll have dinner.

GEORGIA
Okay.

JAMES
And um.  How attached do you feel… to the clothes… on your body?

GEORGIA
That's like asking how I feel about my grandkids.
I'd prefer my life without them. Especially now that they're at that age where they like to prank grandma!!

*Grandkid runs on stage and pantses grandma.*

GEORGIA
Aw fuck you, Michael.

*She leaves her pants down by her ankles.*

JAMES
You're perfect.

GEORGIA
I'll see you tonight?

JAMES
Bring nothing.

GEORGIA

You got it, soldier.

*GEORGIA salutes.*

*JAMES does a little victory dance as GEORGIA waddles away, her pants still at her ankles.*

*JAMES sits down in his lawn chair and smiles to himself.*

*CAMI and family reenter. GRAYDON is holding the baby with the iPad. They're mid conversation.*

CAMI
We're trying to wean it off the iPad, okay?

GRAYDON
I don't know honey. She's pretty addicted.

CAMI
I loved Polly Pockets when I was a kid. I'm sure I saw some here earlier.

*She begins to dig through some boxes. He begins looking too.*

*A beat of space while they dig.*

GRAYDON
*Suggestive.* You practice kissing on these dolls?

CAMI
Don't be a perv, Graydon.

GRAYDON
Sorry.

CAMI
Just keep digging.

*GRAYDON shrugs and continues to look through boxes. He notices a tool.*

*Simultaneously, BO reenters. She's looking for more tools for her project with DRAKE.*

*They both stick their hands into the box. They lift the tool out of the box. Each has one hand on it.*

BO
Oh haha. Sorry.

GRAYDON
No no that's my bad.

*A beat.*

BO
Fine birch wood handle.

GRAYDON
Galvanized metal.

*A beat.*

BO
So you gonna let go or….

GRAYDON
Listen. We're new here. We've got a lot of renovations on our hands.

BO
I've got renovations on my hands too!

GRAYDON
Like what?

BO
We're building a hanging canopy cat bed.

GRAYDON
For yourself? Or…

BO
No, we have eleven cats, pissboy.

GRAYDON

PISSBOY??

BO
GIVE ME THE HAMMER.

GRAYDON
GIVE ME THE HAMMMER!!!!

*This continues underneath the following scene. The two continue to fight over the hammer, miming the words and actions. FIGHT CHOREO.*

*CAMI has walked over to JAMES.*

CAMI
Hi sorry. Me again. Um I was wondering if you still had those polly pockets available.

JAMES
Drake bought em.

CAMI
You're kidding!

JAMES
He offered me the last bite of his hoagie and a small jar of pickles. Couldn't turn that down.

*JAMES shakes a jar that's to the left of his chair.*

CAMI
What. I— Listen, James. I need those Polly Pockets.

JAMES
Sorry, Cami. Deal's a deal. Talk to Drake.

CAMI
Ugh. DRAKE!

*DRAKE sprints in.*

DRAKE
Yes mrs. Cami mrs. lady woman ma'am.

CAMI
Listen, Drake. I *need* those pockets.

DRAKE
Sorry, Mrs. Cami Ma'am. But I need those polly pockets for my feminist remaking of the nativity.

CAMI
Just paint some boobs on the Three Wise Men, alright? I've got a baby playing Subway Surfers 24/7, and those dolls are the key. What do you want for em?

DRAKE
Sorry, ma'am, but the pollies are reclaiming their power under oppressive religion. It's a statement.

CAMI
20 bucks?

DRAKE
No, Ma'am.

CAMI
50? That's probably enough to put tampons in every bathroom in the world.

DRAKE
I don't think that's right.

CAMI
THEN I'LL JUST HAVE TO RIP IT OUT OF YOUR TINY PALE HANDS!!

DRAKE
AHHHHHHHHHH

*CAMI chases DRAKE off stage.*

*ALEX reenters.*

ALEX
Honey, let's go—

*She sees BO and GRAYDON wrestling for the tool.*

ALEX
Again, Bo…

*STEVEN enters*

STEVEN
Oh! Alex! I've been trying to find you. I just gave you a ticket because your car is parked illegally in front of my house. You do in fact need a permit on the dash.

ALEX
What the fuck Steven. Since when do you have the authority to give people parking tickets??

STEVEN
Okay, so I called the ticket maid-

ALEX
I'm not paying that ticket.

STEVEN
YOU HAVE TO.

ALEX
Well, guess what? I just spent all my money on our little league put putter trophies.

STEVEN
Those are mine!

ALEX
They're ours! Is it Tommy's blood on your hands or mine?

STEVEN
WHAT THE FUCK, ALEX. THAT WAS YOU???

BO
*In the middle of her tug of war with Graydon*
Ooof..

ALEX
YOU WERE GONNA GET SECOND TO THAT TWERP. DID YOU NOT WANT TO WIN?

STEVEN
THAT WAS A CAREER ENDING INJURY FOR HIM. HE WAS GOING PLACES. I'LL REPORT YOU TO THE BOARD!

ALEX
Oh no, the golfer's guild. See how many fucks I give.

STEVEN
That's a respected institution. I can't believe I won under false pretenses.
*To himself*
Everything is a lie.

*Crawls up into a ball on the floor. ALEX is fed up with him.*

ALEX
Be so fucking for real.

*The two continue this argument as GEORGIA reenters. GEORGIA walks over to JAMES.*

GEORGIA *at Steven to James*
He always was a fragile kid, wasn't he?

JAMES
Oh! Georgia. Yeah. He's been that way since his mom got hit by that low flying plane.

GEORGIA
Oh gosh, that's really serious. I'm so sorry for your loss.

JAMES
Oh no. She's alright. It was a model plane. Greta loved em. But maybe a little *too* much. She'd make engine noises in the bed.

GEORGIA
Dear god. I haven't slept beside someone else in a while so lets hope I'm not a snorer.

JAMES
Oh this wasn't snoring. This was purely sexual.

GEORGIA
Oh.

JAMES
Anyhow,  I thought we were doing dinner?

*DRAKE reenters.*

DRAKE
Mrs. Beautiful Georgia. I made you something. It's real big and poky. Come and see.

*DRAKE starts to drag GEORGIA  away.*

JAMES
Not now, Drake.

GEORGIA
Come on. Let's see what the kid's got.

JAMES
What he's got is undiagnosed freak disease.

DRAKE
If I'm reading the pharmacy packages I deliver to your house correctly, you have diagnosed erectile dysfunction, sir.

GEORGIA
Be nice, boys.

JAMES *really boylike*
Those weren't mine.

*CAMI enters.*

CAMI
Drake! Get your ass back over here.

DRAKE
AHHH! Hide me under your bosom, mrs. beautiful Georgia ma'am.

JAMES
Woah. Woah. Woah. What's going on here?

CAMI

Drake won’t give me the polly pockets.

DRAKE
I need them for my /feminist remaking of the nativity

CAMI
feminist remaking of the nativity. I KNOW DRAKE!

DRAKE
They’re mine! Fair and square. You can’t undermine the power of barter Mrs. Cami!

JAMES
Woah. Hey. I don’t have any proof of transaction.

DRAKE
I loaned you my hoagie!

JAMES
I don’t see a hoagie!

DRAKE
You ate it, you fuck!

JAMES
Well.
*He reaches in DRAKEs pockets to get the pocket pouch*
Cami, how much were you willing to pay for those dolls?

CAMI
Anything to get this kid off its dumb iPad.

*CAMI flings the doll around.*

GEORGIA
Honey, you ever tried just taking the iPad away? That’s an infant, it can’t fight back.

CAMI
Oh not when it comes to the iPad. This little bitch latches on to that device more than it does my fucking nipples.

GEORGIA

Sweetie, don’t swear around it!

CAMI
FUCK BITCH FUCK SHIT DAMN FUCK. IT CAN’T FUCKING HEAR YOU OVER THE COCOMELON THEME SONG!

GEORGIA
Oh god.

DRAKE
Golly!

CAMI
HOLD THIS.

*She throws the baby to JAMES and then goes to strangle DRAKE.*

JAMES
This isn't your payment right?!

*GRAYDON and BO reenter, struggling over the tool.*

GRAYDON
James, you need to settle— WOAH. HONEY. GET OFF THAT CHILD.

*CAMI screams at GRAYDON. He immediately backs off.*

BO
YES! I WIN! ALEX, HONEY I WON!

GRAYDON
THAT’S NOT FAIR. JAMES! How much for the hammer?

BO
It’s mine. Here’s Benjamin James.

GRAYDON
Here’s 200.

BO
300!

JAMES
Do I hear 400?

*A beat.*

GRAYDON
5,000 dollars

CAMI
Graydon?!

*A beat.*

JAMES
5,000 for the hammer going once, going—

*BO starts to hyperventilate/freak out. Alex notices.*

ALEX
6,000!

*BO looks over in shock and gratitude.*

GRAYDON
Honey, go home. Underneath the sink is a lock box. Bring it to me.

CAMI
What??

GRAYDON
JUST GO.

*CAMI runs off in a sprint. COMES BACK SO FAST, carrying a massive lockbox.*

CAMI
This is huge. How much is in here?

GRAYDON
20,000 dollars. Pure sterling silver.

CAMI
Oh god…

*CAMI raises her hand.*

CAMI
20,000 dollars…

GRAYDON *thinking that his plan has worked*
Oh yes…

CAMI
FOR THE POLLY POCKETS!!

GRAYDON/DRAKE
No!/ DRAT!

JAMES
Sold!

DRAKE
NOOOOOO! MR. REVEREND JAMES PLEASE I'LL DO ANYTHING.

JAMES
Stay away from my woman.

GEORGIA
Your woman?

JAMES
What? I don't know, I thought maybe—

GEORGIA
I'm 75 years old, no one owns me. Except for the AARP who I owe 4,000 dollars in benefits to.

DRAKE
What a woman.

ALEX
4,000 dollars for the put put trophy.

BO
Honey, who is bidding on that?

STEVEN
4,001!

ALEX
4,002!

STEVEN
4,003 and I'll turn off the cameras in your bathroom!

JAMES
YOU HAVE CAMERAS IN MY BATHROOM?!

GEORGIA
I think I should go, James.
I can't believe I was
Going to move in with you.

CAMI *to JAMES*
James, the pockets. NOW.
*CAMI follows JAMES around*

*The following can be improvised.*

JAMES
Wait Georgia! No. I can
Explain.
Alex, take this. *Hands baby*

GEORGIA
No, JAMES. I've seen
enough.

JAMES
No I promise. This is all a
a misunderstanding

GEORGIA
JAMES, this is really intense.
I'm too old for this.
*She tries to leave*

DRAKE *to CAMI*
I'll kill you.

GRAYDON
Don't say that to my wife
you twerp!

CAMI
Don't try to protect me.

DRAKE
Maybe you wouldn't have a
Cocomelon bitch of a kid
If you didn't throw out my
Newspaper. I've been in your

ALEX
Who's fucking baby
Is this?

BO
Honey… Should we
Start trying

STEVEN
Don't trust her around
kids. She'll blow out
their kneecaps with a
putter.

Trash.

CAMI
Honey. We're leaving. Forget the pockets.

JAMES
Wait. No!

ALEX
Your baby?

CAMI
Oh sorry.

BO
We'll babysit whenever you need!

ALEX
Come on, honey. Forget the hammer. It was supposed to be a surprise but I got you another for Christmas anyway.

JAMES
But Bo this one's vintage!

*ALEX walks offstage.*

*BO is hesitant for a moment.*

ALEX (OS)
BO!

BO
Sorry Mr. Arnold, happy wife, happy life.

*BO runs offstage.*

GRAYDON
Yes!

CAMI
You're not getting the hammer. We have to talk about *this*.

*She's passed the baby to GRAYDON to replace it with the lock box.*

GRAYDON
Yes, love.

*They exit.*

JAMES
Wait, don't go! Please. I have to sell everything.

STEVEN
I'll stay, dad!

JAMES *sarcastically*
Oh, great.

STEVEN
You know what? Fine. I'm leaving. But not because you told me to. I'm reclaiming my power. I might just buy myself a boat.

*STEVEN walks out but notices the trophy.*

STEVEN
Hm.

*He picks it up and leaves.*

JAMES
At least he took the trophy.

*GEORGIA goes to leave.*

JAMES
Wait, Georgia. Not you too. Stay, let's have dinner.

GEORGIA
You know getting rid of your things won't get rid of all your problems. Work on yourself, James.

JAMES
You're right. Georgia. Stay. Fix me.

DRAKE
It’s not a woman’s responsibility to fix a broken man.

*Pantser holds up sign that says “applause”. The crowd applauds.*

GEORGIA
Goodbye, James.

*She walks off. DRAKE trails off behind her doing clown loser face. A heel click. A middle finger.*

JAMES
No! Please. Take the pockets! Or the hammer! Free. It’s all free! Just take it. Please.

*He sinks to his knees.*

JAMES
I don’t want any of this. I don’t need it.

*JAMES struggles with his shirt and takes it off in a fit. He falls to his knees.*

*Pantser actor walks on and notices JAMES’ shirt on the ground.*

PANTSER ACTOR
Oh nice. Free shirt.

*He picks it up and walks off.*

BLACK

# SCENE III

*Lights up. JAMES is in a lawn chair in nothing but his boxers now. Feeling dejected, lost, looks blank. GRAYDON jogs by shirtless.*

GRAYDON
Oh. You’re still here.

JAMES
Yeah.

*GRAYDON points at both of their chests.*

GRAYDON
Hah. Twins.

JAMES
Oh. Right.

GRAYDON
Nothing like feeling the wind blow against your bare chest.

JAMES *dreamily*
and balls.

GRAYDON
What?

JAMES
Nude. I want to be nude.

GRAYDON
Oh. Haha, don't we all?

JAMES
But no one does a damn thing about it. Except me. I'm doing it. Or trying.

GRAYDON
What?

JAMES
I'm moving to a nudist colony, Graydon. That's why all this stuff is out here. Not gonna need any clothes if I'm nude.

GRAYDON
Oh right on! Good for you!

JAMES
Thanks.

GRAYDON
Wait… then why are you selling *all* this stuff?

JAMES
What do you mean?

*A beat. GRAYDON looks around.*

GRAYDON
James, you might not need any clothes but I'm pretty sure nudists still own
*starts picking up things…*
bedsheets and use spoons, and… *picks up toilet paper* wipe their ass. OH MY GOD IS THIS DIRTY TOILET PAPER?!

JAMES
I never really thought about that.

GRAYDON
Guess your job out here just got a little easier, huh?

JAMES
Well no one's bought anything. My kids aren't helping. Steven's reclaiming his power. Alex and Bo are doing IVF. They don't have time for me.

GRAYDON
Well. Did you ever ask for their help?

JAMES
I haven't even told them where I'm going.

GRAYDON
To the nudist colony?

JAMES
They wouldn't understand.

GRAYDON
Why are you scared? You're their dad. They don't control you.

JAMES

But I want them to like me.

GRAYDON
They love you.

JAMES
No one loves their dad naked.

GRAYDON
Come on. You're their dad—clothed and nude.

JAMES
…I don't know.

GRAYDON
Trust me. Tell them and they might just come with you.

JAMES
I don't know if I want that.

GRAYDON
To each their own.

*GRAYDON full sprints off. JAMES takes a deep breath.*

*He sees the baby dolls on the ground. He props them up on the table.*

*The following can be heavily improvised.*

JAMES
Alex. *Steven*. I'm a nudist.
NO.
Alex. Steven. The pants are *coming off.*
FUCK
If my name isn't James Harambe Arnold—
Bad start.
Kids. I love you very very much. And when people two people love each other very much—
WRONG TALK.
Okay.
*Steven and Alex have entered. They stand behind him. Could also be improvised.*

Alex. Steven. This is hard to say. And I know you might see me differently. But um. Well. One day, I kind of forgot to get dressed. You know my memory's been shaky lately. And then it was 4 pm and I was out on the porch, wind beneath my balls. And by god I felt new. New and, well haha, nude. So um. It's time for me to go. To a nudist colony about 5,000 miles west of San Francisco—

ALEX
So Japan?

*JAMES gasps.*

JAMES
Oh my god! How much of that did you hear?

ALEX
All of it.

JAMES
You hate me.

ALEX
Dad, we don't care that you want to be nude. Honestly better that you're moving to a colony then doing it here. Also… your middle name is Harambe?

STEVEN
How did you not get caught on the porch? That's against the neighborhood bylaw 442.

ALEX
Shut up, Steven. Dad, we're okay with it.

JAMES
Wait, really?

ALEX
As long as you're clothed around me, Dad. I don't care.

JAMES
Understood.

STEVEN
So, when are you moving?

JAMES
Well it was gonna be tomorrow, but I still have all these clothes to sell.

STEVEN
Don’t even worry about that, dad.

*He pulls out a mic.*

STEVEN
FIRE! EVACUATE YOUR HOMES! SAFE ZONE AT MR. ARNOLD’S HOUSE.

ALEX
Wow. Steven. Your pervy job is finally good for something around here.

STEVEN
Thanks, Dad.

*CAMI, GRAYDON, and baby stumble on.*

CAMI
What the hell is going on? It was THIS close to putting the ipad down.

*Baby has the iPad pressed into its face.*

GRAYDON *said matter-of-factly*
We haven’t been intimate in so long.

*BO enters.*

STEVEN
OH MY GOD BO. ARE YOU FULLY PREGNANT? IT’S BEEN TWO HOURS.

ALEX
Yeah. Lesbian pregnancies happen kind of differently.

BO
I want to name it buzz saw.

ALEX
No, Bo. Maybe James tho.

*ALEX winks or warmly smiles at JAMES*

JAMES
You'd do that?

ALEX
What? Of course Dad.

BO
James Buzzsaw Arnold. I can live with that.

JAMES
I'm having a grandchild!

*He hugs ALEX.*

*DRAKE enters. He notices BO is pregnant*

DRAKE
HEAVENS TO BETSY! What is that!

ALEX
We're having a baby!

DRAKE
Jiminy! A friend for me to play with?

JAMES
You'll finally be normal. Thank God.

*DRAKE jumps up to slap him in the face.*

*A beat.*

JAMES
I respect that.

*They shake hands.*

DRAKE

I respect you, Mr Reverend James Arnold sir.

*STEVEN flips on a boat hat.*

STEVEN
Hey uh, Drake. I own a boat now.

DRAKE
Would you hire a little boy to drive it? I have 20 years of military sailing experience.

STEVEN
How is that possible?

JAMES
Wait. A boat? Steven, would you sail me to the colony?

*His cool demeanor immediately drops.*

STEVEN
Wuh. HUH Da-DAD YOU WANT MY HELP OH YES PLEASE YES YES ANYTHING.

JAMES
Stop sweating. I can smell how desperate you are Steven. Actually, I would love everyone's help. These clothes don't have a body to wear them anymore.

GRAYDON
Right on, reverend.

STEVEN
Oh by the way. Um. I've got a 24 hr lease on the boat, so we're gonna need to go tomorrow morning.

ALEX
That's a lot of clothes to sell in
*checks watch*
12 hours.

CAMI
We could donate them.

ALEX

I’m sure the baby could use them.

BO
Or we could burn them.

ALEX
Honey, I think we could save them for the baby.

DRAKE
LET’S BURN ALL OF IT!!

BO
We have a pile!

ALEX
You have a what now?

BO/DRAKE
A PILE!!

BO
We’ve been building it all day.

ALEX
Honey, what?

DRAKE
STAY HERE

*DRAKE runs offstage and lugs a pile of scrap wood in front of the stage.*

*He runs back up to them.*

GRAYDON
Is that just a pile of wood?

DRAKE
Isn’t she pretty?

BO
Throw your stuff on… Grandpa.

*A beat. JAMES smiles and sniffles.*

STEVEN
Come on everyone. Let's make this orderly, single file.

ALEX
I still think we could save some of this for the baby— THAT'S LITERALLY A ONESIE!

BO
Sorry, Alex, it's all got to go.

*EVERYONE has finished throwing clothes on the pile.*

CAMI
Do the honors, James.

*She hands him a lighter. He lights it.*

*GEORGIA enters.*

JAMES
Georgia?!

GEORGIA
James, what's going on? I thought there was a fire?

JAMES
There will be now. I'm burning it all. I'm a nudist.

GEORGIA
Oh my god. I am *too*.

*She rips off her pants and throws them in the fire.*

GEORGIA
Burn away!!

*A beat.*

*He throws a lighter on the pile. He lights the fire.*

JAMES
Come with me. Please.

*She smiles and holds his arm/shoulder*

GEORGIA
There’s one more piece to burn.

*They all look at his boxers. CAMI covers DRAKE’S eyes.*

DRAKE
Jumping Jesus on a pogo stick.

*JAMES looks down, gives a smirk. Rips off his boxers as we*

*BLACK.*
