Billy - ????

Marky and ??? walk into a coffee shop, they run into Clovis, Marky's college friend.

Clovis:

Marky?!?

Marky

Jumps into a split stance, finger guns optional, arms open wide, grinning with a shocked expression

Clovis! Ohmygod what are you doing here?! I thought you moved back to Fresno!

??

Oh! You're from Fresno? Cool! I'm from California too! San Diego. Nice to meet you.

Clovis

Nice to meet you! Yeah, I'm back for the summer. I'm actually doing some research for the university.

Remember Conor and Emily from our Senior Seminar class? I like just ran into them!

Marky

Oh wow! I haven't seen them in a while I-

Clovis

Addressing ???

I'm so sorry I didn't catch your name. I'm Clovis!

??

Oh don't worry about it!

Clovis

What?

Marky

Oh no, yeah, you're good, that happens a lot.

Clovis

Wha- what do you- what do you mean....

Marky

Yeah, he deals with this a lot. It's no biggie! So, tell me more about your research!

Clovis

Confused but trying their hardest to act normal

Oh! Yeah so... wait I'm sorry I'm just so confused. What's his.... Name?

??

Oh you really don't have to worry about it

CLovis

bewildered

No... I want to know your *name*....?

Marky and ???? Just look at eachother blankly

CLovis

Marky, what's his name?

gesturing at ???

Marky

Staring blankly at Clovis

.....

Clovis

Marky, I swear to god if you don't tell me his name I'm gonna... I'm gonna..... Ugghh!!!!

Marky

Come on Clov-

Clovis

I'm serious.

Marky

Okokok fine, well... I don't know, ok!?!!

CLovis

exasperated

What the fuck does that mean? You don't know this guy? You're just what? You're introducing me to a literal stranger?

Marky

Well... technically....I never introduced you.

Clovis.

sternly

Marky.

Makry

Ok fine. I don't know his name. No one knows his name.

CLovis

FINE well HE knows his name...

They all stare at each other for a second

Clovis

In a way that means "youve gotta be kidding"

No

???:

well... yeah. No.

Clovis

What do you mean NO?!

??

I don't know no one's really ever asked me that before.

Clovis

No one's ever asked you for your name?????

??

Well I've gotten a few blank stares but usually they just drop it after the first few minutes of a conversation. To be honest, I've never received this reaction before and I feel a little uncomfortable. You really know how to make a first impression don't you.

Marky

disappointed

Yeah, Clovis, I'm sorry but we have to go. I *guess* it was nice seeing you

They leave. Clovis left there staring blankly at their backs.

Clovis
WHAT THE FUCK.

SKETCH TWO SKETCH TO SKETCH TOO.

I Just Want a Nice Warm Meal

Written by Rhea Madhogarhia

Characters

Gina -

Kent:

Haylor:

Eddy:

3 roommates (Gina, Kent, Haylor) are sitting down to eat dinner, the fourth roommate (Eddy) is bringing the last plate, a plate of fruit, to the table

Eddy

Goes to get grapes

One sec, let me just get the grapes out of the freezer

Haylor

Thanks Eddy. Guys, this is SO EXCITING. We have our own freezer, a couch, a kitchen, separate rooms. I'm so glad we decided to live together off campus this year.

Kent

I know right! Look at us, setting the table, making dinner, growing as people.

Eddy sits down

Kent

Yeah, Eddy, first night apartment dinner was a great idea.

Eddy

bashfully

Haha yeah I just thought it would be nice....

Eddy

It's so cold out. I'm so ready to dig into a nice warm home cooked meal.

They all say stuff like

"Delicious, wow it looks so good guys, i'm so excited to dig in"

Kent

Hey... if I don't eat anything but the ice cream, can I have A LOT of the ice cream.

Gina

Wow, Kent, really taking saving room for dessert to a whole nother level.

They all laugh for some reason, even though that wasn't funny

Eddy

That seems fair.

Haylor

Yeah why not.

They all nod around at each other

Gina

This all looks amazing. I'm gonna take a little of everything if that's good with everyone!!!

Proceeds to put everything, but the ice cream, on her plate

Kent

You've always had an adventurous palate Gina.

They all laugh for some reason, even though that wasn't funny

Gina then walks over to the microwave and proceeds to put the entire plate in. The three at the table notice the buzz of the microwave and slowly turn to look at her.

Eddy

Almost rhetorical

Hey, Gina. What are you doing?

Kent

Dude what the fuck.

Haylor

Did you just put salad in the microwave?

Kent

There was sushi on that plate.

Eddy

And my FROZEN grapes. Gina, what are you doing.

Gina

What? I'm just warming up my food.

Eddy

Those are not foods you warm Gina.

Gina

What do you mean?? You were just talking about wanting to have a warm meal.

Eddy

Yeah, warm RICE.

Haylor

Warm lettuce. YOu want to eat WARM lettuce? There was watermelon in that salad. You want WARM WATERMELON?

Kent

Gina, turn off the microwave. you know you're heating up a california roll right? Can you imagine eating, not just a room temperature slice of cucumber, but a *warm* piece of cucumber.

Eddy

This is making me sick

Gina

Look! I like my food warm ok???

Eddy

MY GRAPES. GINA YOU'RE MICROWAVING FROZEN GRAPES

Gina

Well I don't want frozen grapes

SIMULTANEOUSLY

Gina: I want warm grapes.

Kent: YOU WANT WARM GRAPES?

Eddy

Look Gina. this is bigger than your fucked up preference for warming foods that shouldnt be warm. I read an article the other day that microwaving grapes can cause plasma explosions. If you don't stop that microwave right now our apartment could burn down.

Haylor

Gina I don't care if you want a warm meal. if you ruin this apartment in any way I will kill you.

Gina

Whining

Look there's only 30 seconds left i'm suuuure it will be fine

Haylor

Sternly

NOW.

Kent

You're sick in the head Gina.

Gina

Fine. I guess I'll take it out

Takes the plate out.

Eddy

See, the lettuce is wilted. It's turning BROWN. And- And my grapes! Theyre HUGE.

Kent

Our microwave smells rotten. Thanks Gina.

Haylor

I'm sorry that plate has to go

Throws gina's plate in the trash.

Gina

DUDE. That was my dinner.

Kent

Just have some of the ice cream you made. It's actually pretty good.

Eddy

At this point it's been sitting out so long it's probably melted by now.

Haylor tilts the bowl towards them to look inside

Haylor

It's soup.

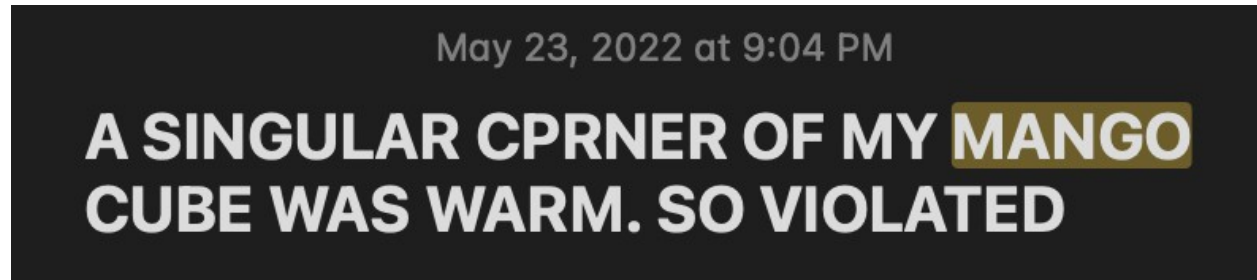

Gina

Perfect! Just the way I like it.

Free Throw

By Rhea Madhogarhia

Characters

Tommy Kid

Father Kid

Elton John

Billy Joel

Pat Ballard

Tommy Kid has signed up for his local rec center's free throw competition. His dad, Father Kid, used to be a big time basketball player, maybe. Tommy aims to surprise and make his father proud today by winning the competition he has spent months practicing for.

Father Kid

Tommy, can I open my eyes?

Tommy Kid

Yeah yeah, here just wait here in the bleachers ok?

Father Kid

Why are we at the rec center? What's going on?

Tommy Kid

Well Dad, I remember you telling me about being the best free throw shooter in the 80's and, well, i've been practicing for months now, I entered a free throw competition.

Father Kid

Why do you have a basketb-

Tommy Kid

Okay Dad just wait here I gotta go check in.

Tommy goes over to competition man

Competition man

Here to check in, kid?

Tommy

Yup!

Competition man

Great. I'm just gonna need your name and what you'll be throwing with.

Tommy

Only a little confused

Tommy Kid! You might know my dad? father kid. He's over there on the bleachers

Points at father kid, father kid waves.

Competition Man

A little starstruck

Oh woah. You're his kid? Can't wait to see you throw little dude. Your big man free threw some crazy shit back in the day.

Tommy

Haha yeah so I've heard. OH and, I wasn't sure if you guys would have them so I brought my own ball

Competition man

Chuckling to himself a little

A ball. Mmm okaaaay! I'll put down basketball.

Tommy is still a little confused. Competition man scribbles on his clipboard.

Competition man

Alright you're the last to check in so just stand to the right (or left) of Elton John.

Tommy

Thanks so much.

Walks over and stands beside elton john who is standing next to pat ballard who is standing next to billy joel.

Tommy

Are you actually Elton John? I'm a huge fan. I'm Tommy Kid.

Elton John

HAha yeah. Kid you say? Kid as in Father Kid?

Tommy

You know about my dad? Woah

Elton John

Well yeah hes kinda a legend at these kinds of things.

Tommy

Hm

Competition Man

ALRIGHT EVERYONE THE FREE THROW COMPETITION IS NOW STARTING. FIRST UP WE'VE GOT BILLY JOEL. HIS ENTERED THROW IS A GRAND PIANO.

Billy Joel

Some do call me the piano man.

Billy joel steps up to the free throw line of the court and chucks a grand piano as far as he can. It goes surprisingly far for a fucking grand piano. The crowd erupts and pinao man starts to play as billy joel bows and walks off to the side.

Tommy

Excuse me?? Competition Man? What just happened? Did he just throw a piano?

Comp Man

What are you talking about Kid? Anyways, next up we have someone named Pat Ballard. And he's chosen... sand? Interesting and difficult choice!

Pat Ballard

Some do call me Mister Sandman.

Billy Joel
Really dude?

Comp Man
What?

Pat Ballard
Look, I wrote the song ok. I deserve credit where credit is due.

Comp Man
Alright alright. Pat, this is a tricky throw, your standing in this competition could go kaputz if the sand scatters the wrong way.

Pat Ballard
Don't worry I've got this.

Tommy
I'm so confused what the heck is happening right now.
Looks to his dad for explanation
Father Kid seems to be zoned in on Pat Ballrd.

Tommy
Excuse me? Where are the basketballs? Why aren't we shooting free throws? What is this?

Father Kid
Loud whispering
Tommy Kid shut up this is not the time to be talking.
Tommy looks at his dad bewildered in a way that says "are u serious rn"

Pat Ballard
To himself
I got this.
Billy joel and elton john both grip and squeeze tommy kid's hand in anticipation for the throw
Pat throws the sand and it goes not very far. It falls as soon as it leaves his hand.
The crowd groans

Comp man
Big upset here today for Pat. I think a sandball tactic mighta have worked better but what do i know right.

Father Kid
FUCK

Tommy Kid

Dad, what's going on?!?!?!?!?

Father Kid

Junior Kid, show some respect. A mans career has been ruined today. I felt the same thing he did in 89.

Tommy Kid

Almost whimpering

Wha-

COMP MAN

Alright everyone we've got a competition regular here. He's showed solid performance last season. Let's see if his season debut today will secure his place in the octo finals.

A rocket is wheeled into the stadium.

Elton John

Some do call me the rocket man.

Tommy Kid

You've gotta be kidding me

Billy JOel

Really man? Really????

Pat Ballard

To billy joel

Hey, try supporting your fellow musicians.

Elton ignores Billy and throws the rocket. The crowd roars again except some scream because its a literal rocket.

Comp Man

Amazing throw Elton. The destruction to the rec center will cost you a deduction. BUt another strong performance here today. Big fan. Alright next we've got Tom-

Tommy

EVERYONE STOP. WHAT THE HELL IS HAPPENING HERE. WHY WAS A ROCKET JUST THROWN? HOW DID HE EVEN PICK THAT UP. DAD?????

Father Kid

Son, I tried to tell you earlier but you seemed so eager to participate. I wasn't a free throw shooter. I was champion of the Free Throw.

Comp Man

Yeah kid. This the Free Throw. Think Freestyle in a swimming competition, but with throwing. You can throw whatever you want. A basketball is a pretty lame choice.

Tommy

Are you serious?

Billy Joel

Yeah Kid, can't believe you didn't know that. Father was the craziest thrower. He once threw a mobile home.

Tommy

Dad?

Father Kid

Tommy. I'm sorry. I know you said you've been practicing for months. Why don't you just show us the free throw anyway??

Comp Man

Yeah little Kid. Go ahead.

Elton John and Billy Joel harmonize while saying " show us what you got"

Tommy steps up to the free throw line. Dribbles the ball a little. He shoots.

He misses.

Victor

To Keeth

Oh my god! Is that guy okay??

Keeth checks hurt guys pulse

Keeth

He's still got a pulse, I think he's just unconscious

Victor

He looks pretty beat up.

Keeth

Yeah, god, I can't believe people would just leave someone here like this

Larlie walks in the opposite direction Victor and Keeth did. Weirdly suspicious scratching his head with one finger

Larlie

Hmm, yeah I wonder who did that.

Keeth and Victor look at Larlie suspiciously?

Victor

..um yeah. Isn't it awful?

Larlie

Yup!!! Suuuuuuuper awful. I would definitely *never* do anything like that.

Keeth

Yeah... I don't think most people would... Sorry. Do you know anything about what happened here?

Larlie

Victor and Keeth continue to look at each other bewilderedly

Victor

No, it really seems like you know.

Keeth

Yeah you're being.. Really weird about this.

Larlie

Whaaaaaat? I have no idea what you're talking about

Almost distressed now

Larlie

I'm serious I *definitely* don't know how that guy ended up on the floor

Victor

I think I'm gonna call the police.

Larlie

Larlie starts to step towards Victor and KEETH.

High pitched and almost like begging but in the wrong??? Way?

No, no,, you definitely don't have to do that

KEETH

Hey. STAY BACK. I have pepper spray.

Hurt Person

murmuring

Ufdsahlf what's happening

Victor bends down to help hurt person get up. Simultaneously criminal person walks onto the scene acting similarly to how Victor and Keeth are/ NORMAL

Criminal guy

Woah, is that guy okay? Do you want me to call someone?

Larlie

No noo... Nah,,,,,, he's fine!!!! Guys everything is fine!!!

Victor gets up and hurt person just starts to look around, regaining consciousness. He stares at criminal guy for a bit. Victor Keeth and Criminal have all positioned themselves opposite of Larlie

simultaneously

Victor : Keeth : Criminal guy

No, this man was just attacked : this is literally a crime! : i can't believe anyone would do something like this

Hurt Person

Pointing at criminal guy

HEY! You're the person that hit me!!!

Criminal Guy looks around, scratching his neck, pretending he doesn't know what hurt person is talking about.

Larlie

*In the same confusing, **guilty**, tone*
Hmhmhm yeaahhhh, he *definitely* did it.
